When making decisions at the Pennies for Poverty, the board and volunteers will be conscious of the following:

- ⇒ The core reason the Pennies for Poverty Program exists is to lessen the current effects of poverty and crisis, while working simultaneously to eliminate the root causes of poverty and crisis in the future. Today's decisions will therefore be made in the context of both today and tomorrow, asking the question, "How will this decision affect the future of our organization AND the future of our community?"
- ⇒ All parties to any decision will be treated with respect, dignity, compassion, grace, integrity, honesty and humanity.
- ⇒ Our message must be positive, that we CAN make change. With a passionate optimistic message, we can change minds and move mountains.
- ⇒ We can accomplish significant change if the whole community works together, focusing ALL the community's varied resources towards improving our community's quality of life. All the community must share ownership of our problems and our solutions.
